The floor plan shows a building with various rooms and ventilation paths. Key areas include:

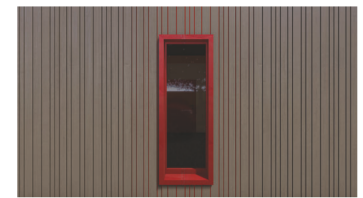

- Top Left:** A large hall with a grid of desks, labeled "Hauptsaal" and "Hauptsaal 2".
- Top Right:** A kitchen area labeled "Küche" and a dining area labeled "Speisesaal".
- Middle:** A central corridor and several smaller rooms, including "Küche", "Speisesaal", and "Küche".
- Bottom:** A large hall with a grid of desks, labeled "Hauptsaal 1".
- Right Side:** A series of rooms, including "Küche", "Speisesaal", and "Küche".

Red arrows indicate the flow of air or ventilation throughout the building, showing a complex network of paths connecting different rooms and areas.

Architectural section drawing of a building, labeled "Schnitt A-A". The drawing shows a cross-section of a long, low structure with a flat roof and a sloped section on the right. Dimensions are indicated in meters (m) and centimeters (cm). The drawing is set against a background of a landscape with water and hills.

An architectural rendering of the proposed new building for the Fire Department. The building is a single-story structure with a flat roof and large glass windows. It is situated on a paved lot with a parking area where two fire trucks are parked. A red car is also visible in the foreground. The building is surrounded by landscaping, including trees and shrubs. A street with a stop sign is visible in the foreground.
